WHAT IS CHINA BUSINESS FORUM

Founded in 2012, London Business School China Business Forum (CBF) is one of the largest and most influential China-focused business forums in Europe. The forum aims to engage business, academic and political leaders in a conversation that offers incisive understandings of industrial dynamics and diverse insights into the future development of China, Europe, and the world.

Ranked amongst the world's best business schools and dedicated to cultivating elites in the world of business, LBS now has more than 45,000 alumni from 155 countries. Our alumni devote to making contributions on all aspects of life that we value. Some of the most influential figures include Savio Kwan (Former COO of Alibaba), Wong Kan Seng (Former Deputy Prime Minister of Singapore) and Tony Wheeler (Founder of Lonely Planet).
